

FOR IMMEDIATE RELEASE

Chandos Construction Announces Toronto Leadership Appointments as Company Expands Nationally

TORONTO, February 04, 2019 – Chandos, is pleased to announce the appointment of Greg Stack as Area Manager and Joe Perry as Director of Construction Strategy in the Toronto district. Ellie Choi has also joined the firm as Vice President and General Counsel based in Toronto. The company is also pleased to announce that Markku Allison, Vice President of Strategy & Innovation and Tim Coldwell, President of Chandos have both relocated to Toronto to support the organization's national expansion.

Greg Stack has 35 years of experience in the Toronto market having spent the vast majority of his career with Kenaidan Contracting. Greg is a seasoned executive who focuses on consistency within processes and policies, resulting in successful project delivery.

Joe Perry joins Chandos from EllisDon and has 20 years of experience in the Toronto market. His experience includes Sault Area Hospital, CIBC Square and MTO Service Stations across Ontario. Joe focuses on building relationships deliver value to clients, design partners and trade partners.

Ellie Choi has 20 years of experience and was previously Vice President and Counsel with Travelers where she led the surety and warranty claim departments. Ellie is an expert in construction law and risk management and has a solid reputation in the Canadian construction industry.

Markku Allison is an award-winning architect who leads innovation at the enterprise level within the Chandos organization. Prior to joining Chandos, Markku worked for the American Institute of Architects where he worked on various industry transformation initiatives.

Tim Coldwell, President said that "I am looking forward to being based in Toronto working closely with our Ontario team as well as our leadership teams in British Columbia and Alberta. Established construction professionals like Greg, Joe and Ellie view our organization as the employer of choice due to our employee ownership model and our relentless focus on people and culture. The opportunities before us are many and significant; I am both eager and excited to see what the next few years will bring."
